## BACK TO SCHOOL MESSAGE BY UAE PRESIDENT- HIS HIGHNESS SHEIKH MOHAMED BIN ZAYED AL NAHYAN

An inspiring audio message from His Highness Sheikh Mohamed bin Zayed Al Nahyan, President of the UAE, was shared with students which highlighted the vital role of education in shaping the nation's future and encouraged students to develop their skills and contribute positively to society. The President emphasized the importance of embracing technology and Artificial Intelligence responsibly while preserving UAE heritage, national identity, values and traditions. He also highlighted the importance of teamwork among students, parents, teachers and school leaders in creating a supportive learning environment for a successful future.

## ARYABHATTA GANIT CHALLENGE

The Aryabhata Ganit Challenge was conducted on 1st September during the Mathematics period, engaging students in collaborative problem-solving and healthy competition. Students worked in groups, participated in an interactive question round, and checked their answers with the teacher's guidance. As an added enrichment activity, a student presented a PowerPoint presentation on Aryabhata, helping classmates learn about his contributions to mathematics in an engaging way. The activity was successfully conducted and strengthened students' mathematical reasoning, confidence, collaboration, and awareness of Aryabhata's contributions.

## WORLD OZONE DAY

The World Ozone Day Celebration was conducted on 4th September 2026. As part of the celebration, the student council members presented an informative PowerPoint presentation that highlighted the importance of the ozone layer in protecting life on Earth from the harmful ultraviolet rays of the Sun. It also explained various human activities that negatively affect the ozone layer and discussed effective measures that can be taken to protect it. Students from Grades 1 and 2 participated in drawing activities, while Grades 3 and 4 created awareness posters. The activity encouraged students to adopt eco-friendly practices and contribute to protecting the Earth.

## TEACHERS' DAY CELEBRATION

Teachers' Day was celebrated on 4th September 2026 with great enthusiasm. The celebration helped students understand the importance of teachers and express their gratitude. Student teachers from phase 4 conducted engaging lessons for Phase 1, 2 & 3 students helping them develop confidence, communication, leadership and classroom-management skills. This activity gave students an opportunity to experience the role and responsibilities of a teacher. The activity also encouraged students to understand and appreciate the efforts and dedication of their teachers.

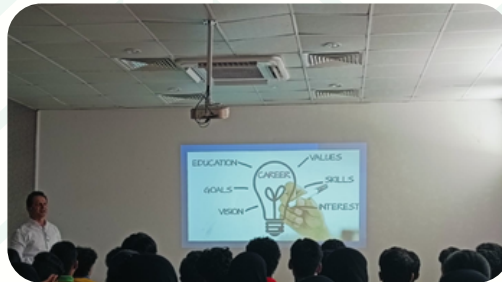

## HINDI DIWAS CELEBRATION

Hindi Diwas was celebrated on 14th September 2026 through a special assembly organised by the Hindi Department. The programme began with the National Anthem, Quran Recitation, followed by Prayer Song, an informative speech on the significance of Hindi Diwas, and the Thought of the Week. Students also presented National and International News in Hindi, followed by an engaging Hindi Skit that showcased their creativity, confidence, teamwork, communication, and language skills. The celebration provided students with a meaningful platform to appreciate the richness of Hindi while developing their talents and public-speaking skills.

### CAREER GUIDANCE SESSION

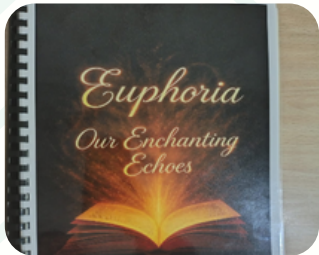

A career guidance session was conducted for Grade 11 & 12 students on 9th September 2026 by our Principal, Mr. Sandeep Vashisht. The session aimed to help students make informed decisions about their higher education and future careers. Students were guided to identify their interests, strengths, skills and career aspirations while exploring suitable courses, university opportunities and different career pathways. The importance of setting realistic goals, researching career options, developing essential skills and making independent decisions was also highlighted. The interactive session allowed students to clarify their doubts and gain valuable insights into planning their academic and professional future. The Principal encouraged them to remain focused, confident and committed to achieving their aspirations.

### MAGAZINE RELEASE CEREMONY

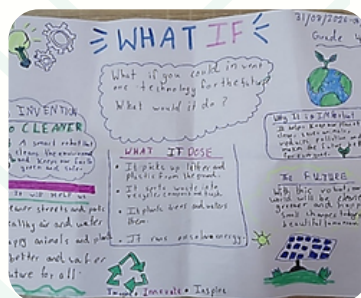

A magazine release ceremony was held on 9th September during the morning assembly, showcasing the creativity, writing skills, ideas and talents of the Grade 10B students. The magazine was formally released by the Principal and Supervisors in the presence of students and teachers. The event was a proud moment for the students and recognised their hard work and contributions. The initiative encouraged creativity, communication, reading habits and confidence, while providing students with a platform to express their ideas and talents beyond the classroom. The ceremony concluded with appreciation for all the students and teachers who contributed to the successful publication.

### WHAT IF

Students enthusiastically participated in the imaginative and thought-provoking 'What If' programme. The initiative aimed to foster creativity, critical thinking, and innovation by encouraging students to explore imaginative scenarios. Overall, the "What If" program effectively stimulated scientific curiosity and imaginative skills, making it a rewarding experience for the young learners.

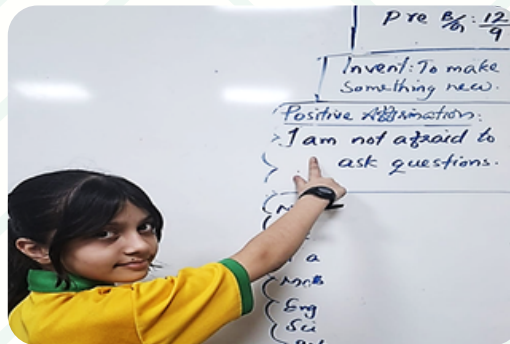

## D.E.A.R – DROP EVERYTHING AND READ

The Drop Everything and Read (D.E.A.R) program was conducted in the school as part of our regular reading activities. During the scheduled 30 minutes session on Thursday, students stopped their activities and engaged in silent reading using books they had brought from home. The program successfully promoted a strong reading culture, with noticeable growth in students' eagerness to read independently. The D.E.A.R. Program continues to be a valuable part of the school's literacy development efforts, helping students build lifelong reading habits and enhancing their language skills.

## DAILY POSITIVE AFFIRMATION

Modern Indian School has enthusiastically embraced the CBSE's initiative to foster holistic development through the implementation of Daily Positive Affirmations for students of all grades. Students embraced the empowering practice of Positive Affirmations during class teacher's time. This initiative aimed to support the socio- emotional development of students, instil a positive and respectful school culture, encourage self-reflection and emotional regulation and also help students start their day with clarity, calm, and confidence.

## FRUITFUL FRIDAY

Fruitful Friday, a weekly event dedicated to encouraging healthy eating habits among students. As part of the school's health and wellness program, it raised awareness about the benefits of including fruits in daily diets, helping students make mindful food choices. Students brought variety of fresh fruits creating a lively and refreshing atmosphere in the classrooms. During recess, they enthusiastically shared their fruits with classmates, promoting values such as sharing, caring, and togetherness. This simple activity helped strengthen social bonds while reinforcing the importance of healthy food choices.

## NO BAG DAY

No Bag Day was conducted on 4th September, Friday, transforming learning into a fun, activity-based experience. Students actively participated in hands-on, creative, and collaborative activities that make learning engaging, meaningful, and enjoyable. These activities encouraged creativity, communication, and critical thinking skills. The program also promoted teamwork, confidence, and positive peer interaction. Children enjoyed a refreshing break from regular classroom learning routines. Overall, No Bag Day was a meaningful learning experience for all.

## CLUB ACTIVITIES

On 9th September 2026, the school clubs conducted a range of engaging activities for phase 2-4 students, that fostered creativity, teamwork, and active participation. The sessions provided valuable opportunities for students to explore their talents and develop new skills in a fun and interactive environment. Students participated with great enthusiasm and thoroughly enjoyed the club.
