SEPTEMBER 2026

KG NEWSLETTER

Dear Parents,

Welcome to Our Kindergarten World!

Welcome to another wonderful month in our Kindergarten family! Our little learners have been busy exploring, discovering, creating, and learning through fun and exciting experiences. From joyful classroom activities to special celebrations, every day brought new smiles, new skills, and happy memories. Join us as we look back at the beautiful moments that made this month so special!

Back to School – Welcome Back!

31st August marked the reopening of school after a wonderful two-month summer break, and our little learners happily returned to school! The Kindergarten teachers warmly welcomed the children with cheerful smiles, welcome cards, and sweet surprises.

The children enjoyed meeting their friends, sharing their holiday experiences, and getting familiar with their classroom routines again. Fun activities, happy conversations, and lots of smiles made the first days back to school extra special!

It was a joyful beginning to a new and exciting term filled with **learning, friendship, fun, and new adventures!** 🎒📚

DROP EVERYTHING AND READ (D.E.A.R)

The Kindergarten Department conducts the **D.E.A.R. (Drop Everything And Read)** programme every Thursday for 15 minutes after prayer and attendance. This special reading time encourages our little learners to develop a love for books and reading.

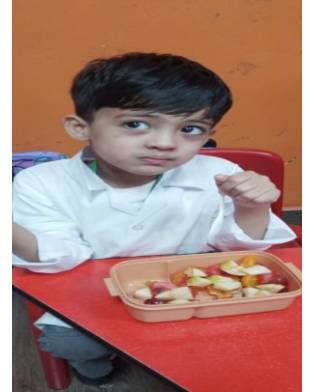

During D.E.A.R. time, children explore **age-appropriate storybooks, short stories, CVC stories, simple paragraphs, and picture books** according to their reading levels. They enjoy reading independently, listening to stories, and discovering new words and ideas. Through this regular reading practice, our young learners are building **confidence, vocabulary, comprehension, and a joyful habit of reading.**

FRUITFUL FRIDAY

Every Friday, our Kindergarten students celebrate **Fruitful Friday** by bringing their favorite fruits in their tiffin boxes. The children happily share their fruits with their friends and enjoy a colorful and healthy snack together. This wonderful initiative encourages **healthy eating, sharing, friendship, and good food habits** among our little learners. It is always a joyful and delicious way to end the week!

TEACHER'S DAY CELEBRATION

Teachers' Day was celebrated with great joy in the Kindergarten on **4th September**. The day was filled with love, laughter, and beautiful memories through various fun activities. Our higher-grade students became little teachers for the day and engaged our KG learners with **rhymes, stories, fun games, and interactive activities**. Our little ones also expressed their love and gratitude by presenting their teachers with **colorful cards and thoughtful gifts**. The sweet gestures, cheerful smiles, and heartfelt wishes made the day truly special, leaving every teacher feeling **proud, loved, and happy**.

Community Helpers' Day

Community Helpers' Day was celebrated with great excitement in the Kindergarten on **11th September**. Our little learners dressed up as their **favorite community helpers and dream professions**, bringing their characters to life. The children confidently spoke about their chosen helpers and participated in fun **role-play activities**, learning about the important work these heroes do in our community. The day was filled with smiles, creativity, and joyful learning, making it a **fun and memorable experience for everyone and memorable experience for everyone!**

Until Next Time!

Thank you for being a part of our Kindergarten journey. We look forward to another month filled with **learning, laughter, creativity, and wonderful memories** with our little learners!
